Additional suggestions:

- Choose your referees carefully. They should be able to write a professional letter that accurately and clearly communicates your strengths.
- Speak to your referees early in the application process, and ensure that they are aware of the deadline.
- Provide your referees with information outlining the award(s) or scholarship(s) for which you are applying.
- You can verify our receipt of your reference letters through the Status tab of the application.

To the Referee:

All letters of reference must be emailed **as an attachment** in .doc, .docx, or .pdf format, from the referee's professional email address **directly** to info@rnfoo.org **BY 4:00 pm Friday, February 9, 2018**. Wherever possible, the letter should be on your organization's letterhead. Be sure to include the Applicant's name in the subject of the email. Only one letter of reference can be accommodated per applicant, regardless of the number of Awards and Scholarships for which the applicant is applying.
