

Research Proposal Instructions

Submission of a research proposal is only required if you are applying for one of the Research awards. You can also use this field to submit a project description for the DNIG Special Projects in Diabetes Award.

PLEASE NOTE: Reviewers for the research awards are looking for a **full** research proposal. The maximum length is 10 pages; if you submit **less than 7 to 8 pages**, the reviewers will not have enough information to score your proposal.

When submitting a research proposal, please:

- provide a description of the proposed research project
- indicate the nature of the problem and methods of investigation
- indicate if you have Ethics Approval or date of submission
- use Times New Roman 12 font, use double spacing
- Limit the proposal to a maximum of 10 pages of content (cover page can be extra)
