

RNFOO

2019 Research Awards

RNFOO is pleased to announce that there is \$15,000 available in Research Awards. A few of these awards are available to nurses conducting clinical research that is not necessarily part of degree studies. Applicants interested in Research Awards should note that most of these awards require that projects have reached the stage of receiving ethics approval.

Please note: Applications for Research Awards must contain a **full research proposal**. As noted in the [Research Proposal Guidelines](#), the maximum size is 10 pages. If your proposal is less than 7 or 8 pages, reviewers will not have enough information to score your submission. If your proposal is longer than this, reviewers will only read the first 10 pages.

Diabetes Nursing Interest Group (DNIG) Research Award (1 x \$3000)

This award will support a graduate level student in either a PhD, MScN or MN program who is conducting research focused on an aspect of nursing related to education, prevention, or management of diabetes. Applicants must have a **completed research proposal** that has been submitted for ethics approval. Applicants must be a member of the RNAO Diabetes Nursing Interest Group.

Nursing Research Interest Group (NRIG) Award (1 x \$1,000)

To support a graduate nursing student who is in the process of completing thesis research. Preference will be given to Master's level students. Applicants must be members of the RNAO Nursing Research Interest Group for a minimum of two years, and submit a **completed research proposal**.

Provincial Nurse Educators Interest Group (PNEIG) Research Awards (1 x \$5,000; 2 x \$1,500)

To provide opportunities to Registered Nurses who are pursuing research in an academic or clinical setting focused on nursing education. Applicants need not be enrolled in a degree program. Applicants must be members of PNEIG. A budget detailing how the money will be spent, as well as disclosure of funding for the research received to date is required within the proposal. Funding received from the PNEIG for this project should be acknowledged in any publications or presentations that result from the project. Upon completion of research, a report of results must be submitted to PNEIG.

Research in Mental Health Nursing Awards - Mental Health Nursing Interest Group (2 x \$1,500)

To provide a financial opportunity for a Registered Nurse (RN) completing research in the field of mental health nursing. Preference will be given to RNs who possess current CNA Certification in Psychiatric/ Mental Health Nursing, whose research is focused on the advancement of mental health nursing practice and who are members of the MHNIG.

Applicants must have a **completed nursing research proposal** including a dissemination plan. Received funding from the MHNIG for this project should be acknowledged in any publications or presentations that result from the project. Upon completion of research, a report of results must be submitted to RNFOO and MHNIG.
