

## Career Goals Summary Instructions

The statement of your career goals is very important in the scoring of your application. Judges use this information to assess your understanding of and commitment to the nursing profession. Your statement should include:

- your current learning objectives, along with mid- and long-term career goals
- any particular areas of interest you have, **and** how these have developed
- your contributions (previous or potential) to the advancement of nursing practice and the promotion of quality care

You must also upload your **current resume**.
