NOTE: Once you submit your application, it can no longer be accessed. You will see below the black bar a note that you are currently logged in. If you click on the Log Out? You will be logged out. You may wish to log out at the end of each session to protect your privacy.

To start your application, click on the purple **Start Application** button.

The screenshot shows the website header with the logo and navigation links: Who We Are, Ways to Help, RNFOO Awards, a shopping cart icon, and a search icon. Below the header, a dark blue bar indicates the user is logged in as Leah-Test Dooley. The main content area is titled 'Nurses in Practice Applicant' and is divided into three steps:

- Step 1: Learn more about the application process**
Visit these PDF pages for the application process:
 - Innovation Grants Application Instructions
 - Special Interest Awards Application Instructions
- Step 2: Start or continue your application**
Applicants may start the application below. You may **"Save and Continue"** at the bottom of the form page to resume later. Incomplete applications will be listed below and will be deleted by the system after 90 days. Incomplete applications will not be considered after the application date.
[Start Application](#)
Once you submit your application, it can no longer be edited. You can see or download your completed application in step 3.
- Step 3: Await your results**
Once you have submitted your application, you will see a submission ID below with the current status. You can also download a copy of your application in PDF.

A search box on the right side of the page displays the message: 'No entries match your request.'

Each field has a name which indicates the information required. Some fields have an explanation below the field title to provide more direction. Be sure to read these instructions.

Fields that are mandatory have a red (Required) after the field name. You will not be able to continue beyond a page if required fields have not been completed.
